

02158 CONCURRENT PROGRAMMING FALL 2024

## Exercise Class 5

Thursday December 5

### Various Exam Problems

Do whichever problems seem most relevant to you from the previous exams. You are recommended to reserve a whole exam set for a final test exam though.

### Question & Answer Session

A *question & answer session* is planned to be held on

**Sunday December 8, 2024 at 11.00**  
Auditorium 44, Building 303

At the session, you may ask any questions about the syllabus and exam problems.

**Good luck!**
