

APPENDIX D

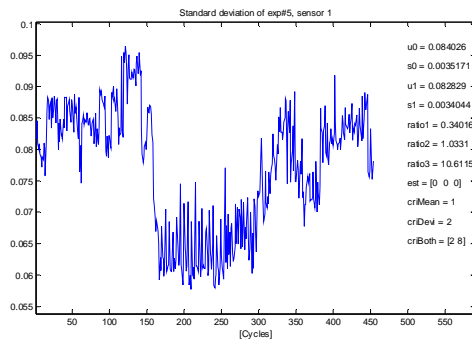

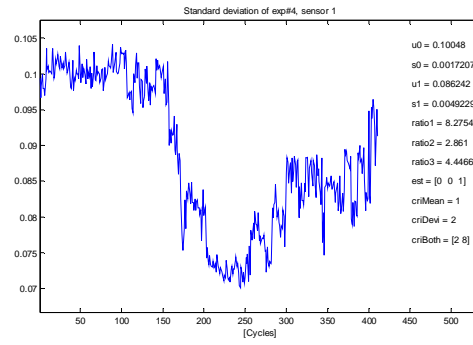

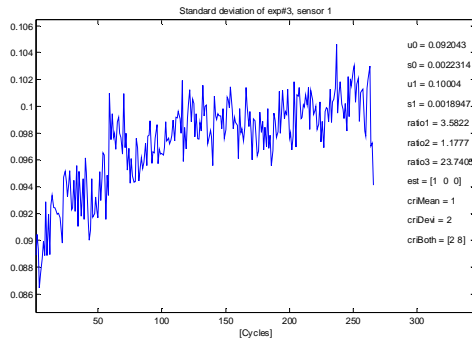

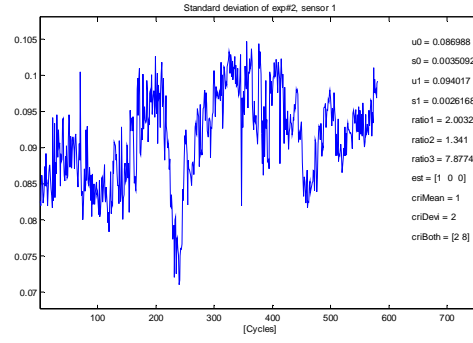

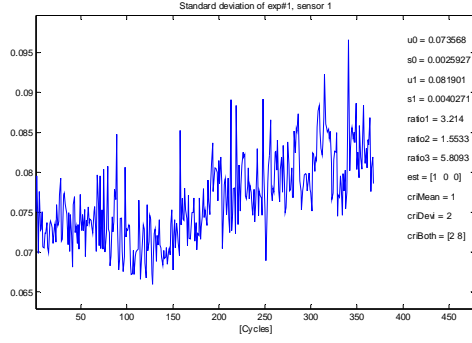

OFF-LINE HYPOTHESIS TEST ON FEATURE SIGNALS

D.1 sensor no. 1 – change in the mean value feature signal

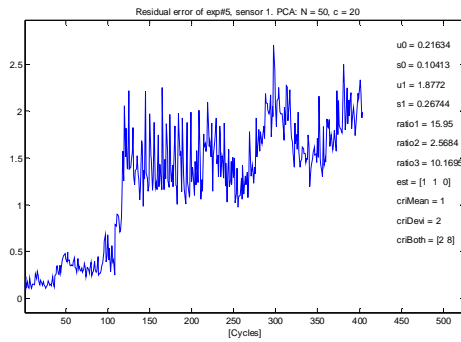

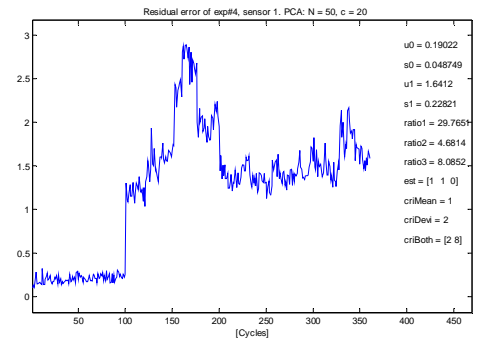

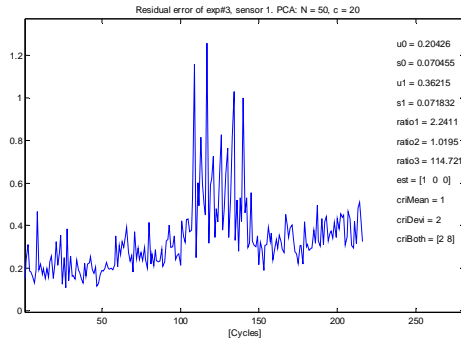

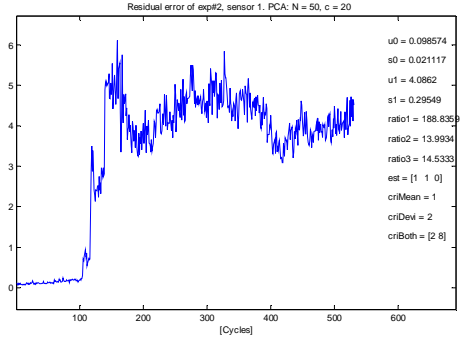

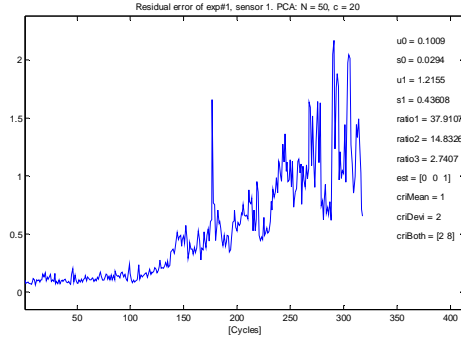

Appendix D - Off-line hypothesis test on feature signals

D.2 sensor no. 1 – change in the standard deviation feature signal

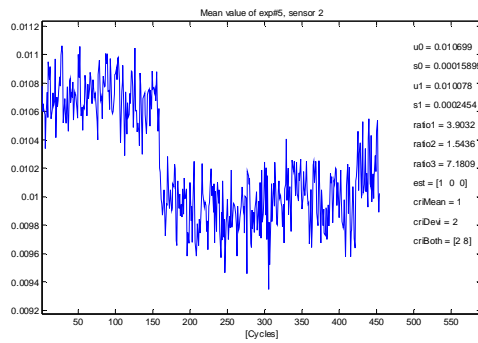

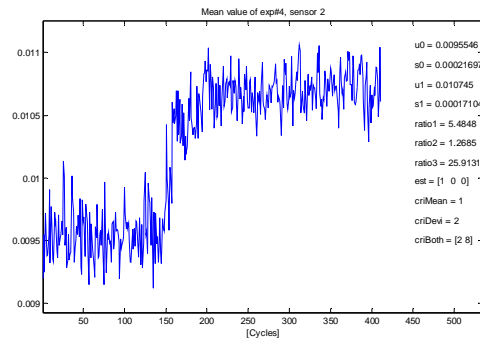

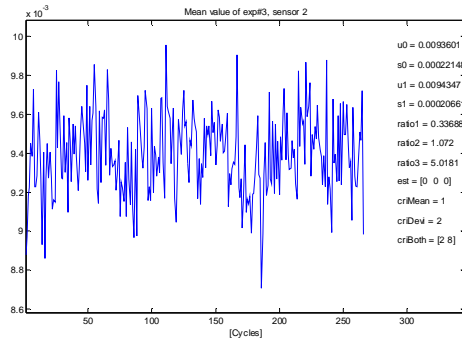

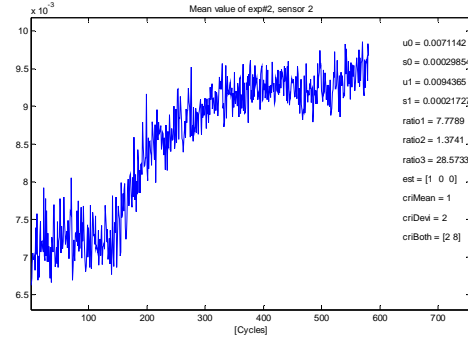

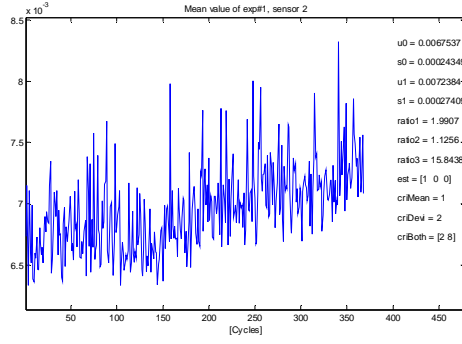

Appendix D - Off-line hypothesis test on feature signals

D.3 sensor no. 1 – change in the MSE feature signal

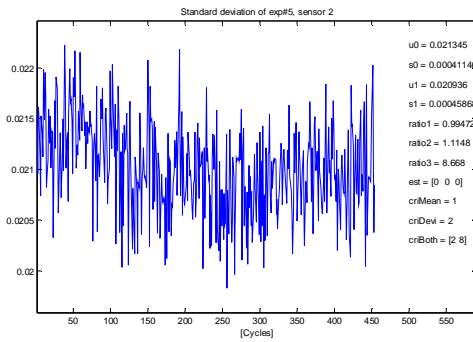

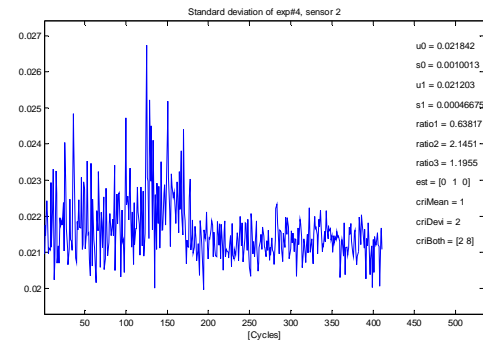

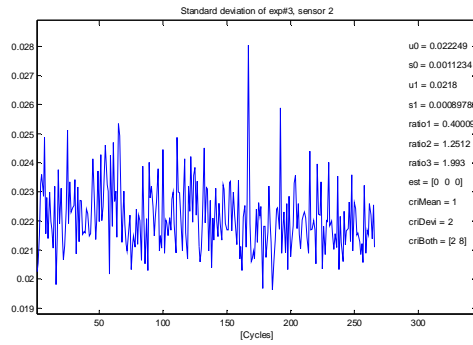

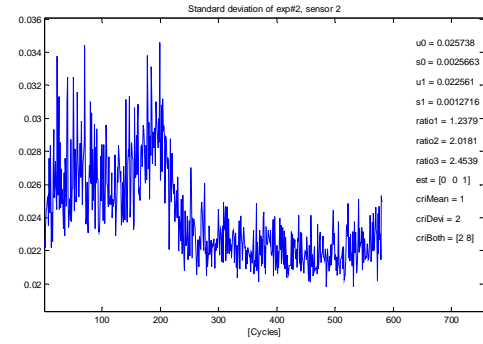

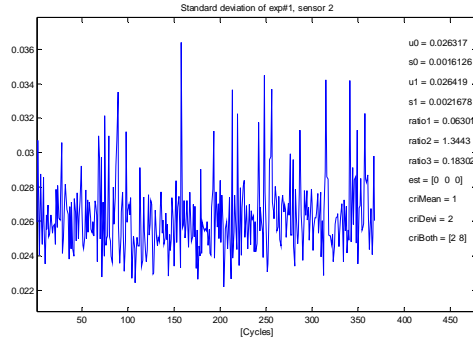

Appendix D - Off-line hypothesis test on feature signals

D.4 sensor no. 2 – change in the mean value feature signal

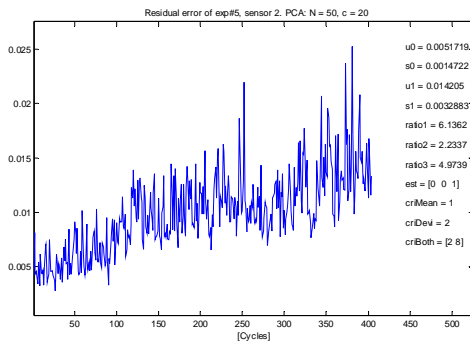

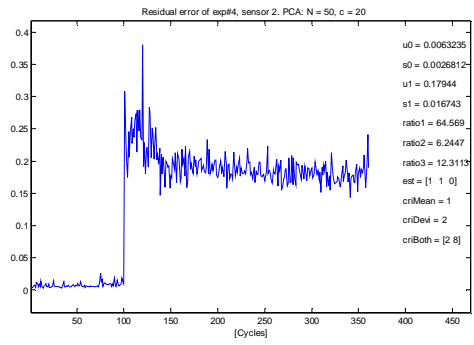

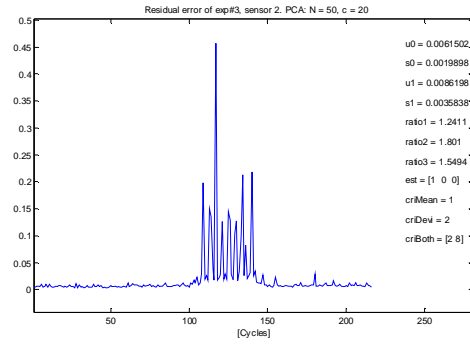

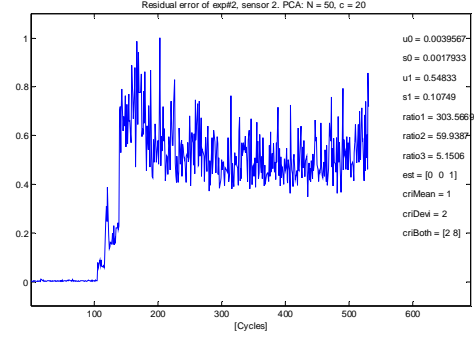

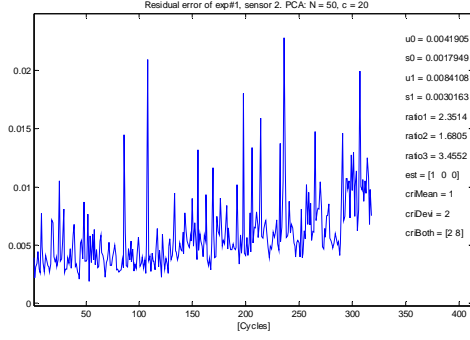

Appendix D - Off-line hypothesis test on feature signals

D.5 sensor no. 2 – change in the standard deviation feature signal

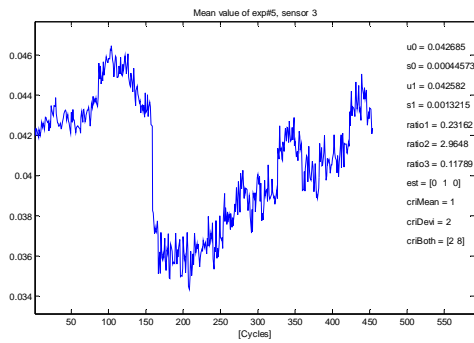

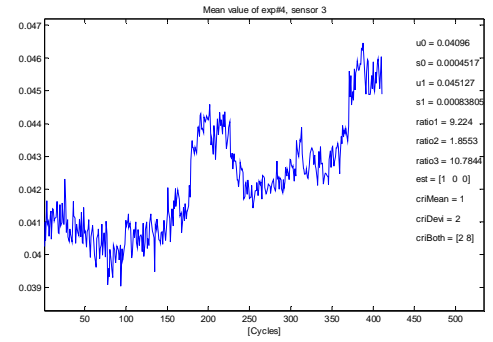

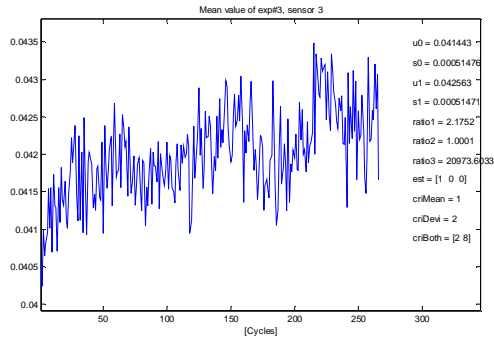

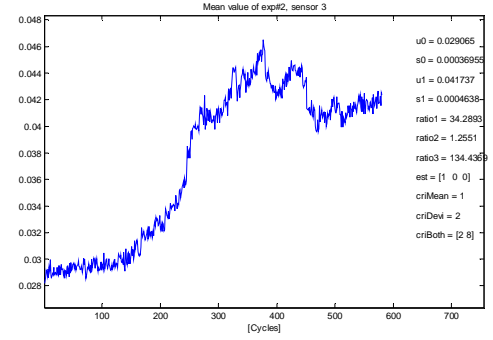

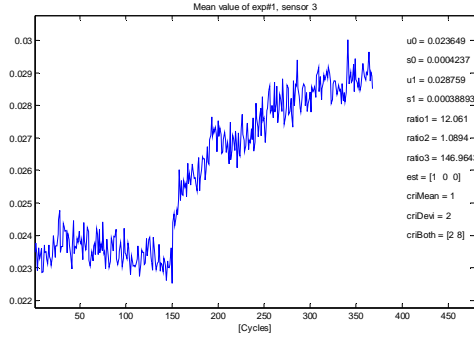

Appendix D - Off-line hypothesis test on feature signals

D.6 sensor no. 2 – change in the MSE feature signal

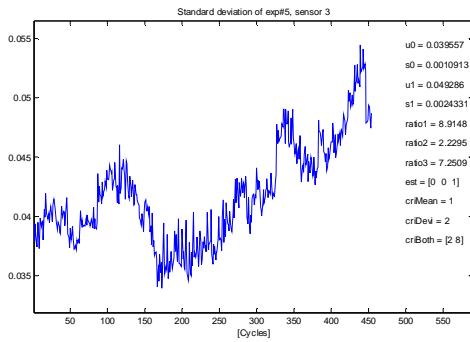

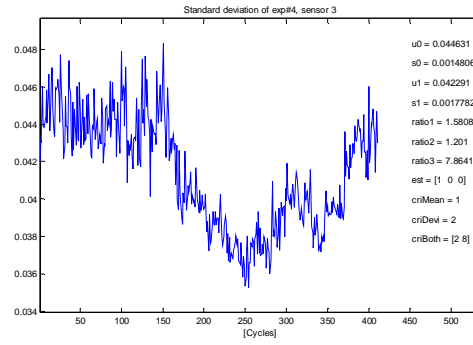

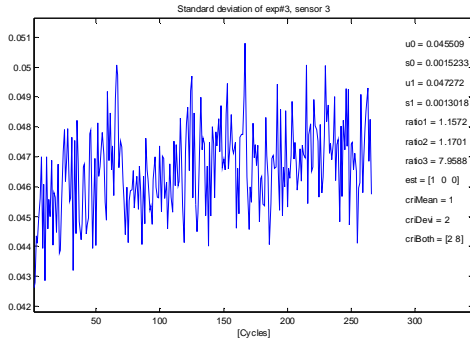

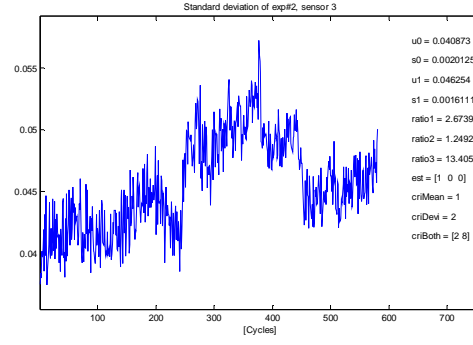

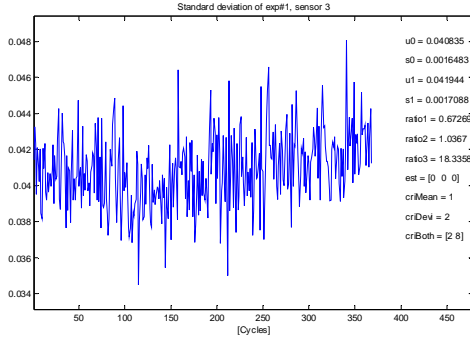

Appendix D - Off-line hypothesis test on feature signals

D.7 sensor no. 3 – change in the mean value feature signal

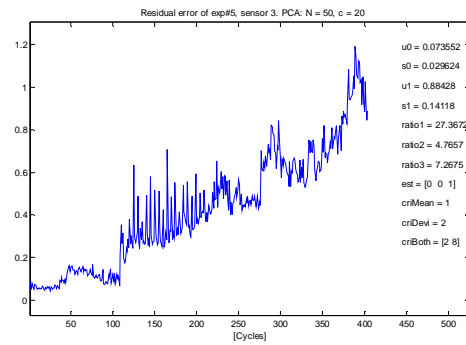

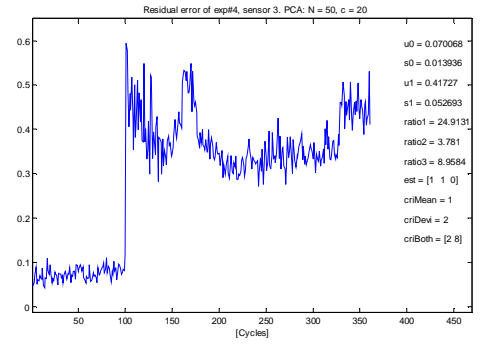

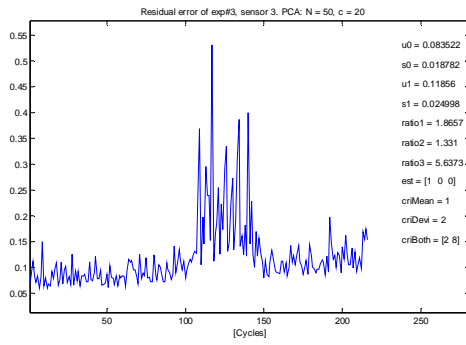

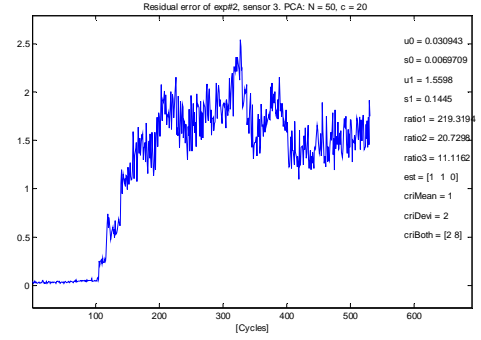

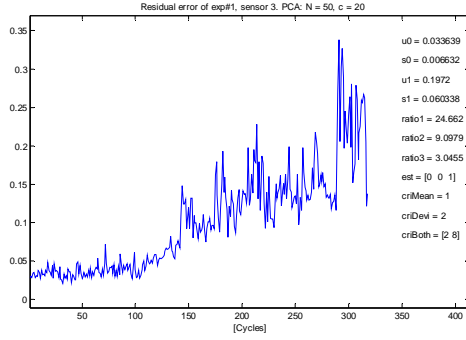

Appendix D - Off-line hypothesis test on feature signals

D.8 sensor no. 3 – change in the standard deviation feature signal

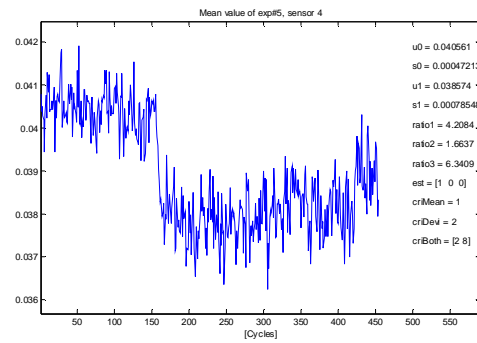

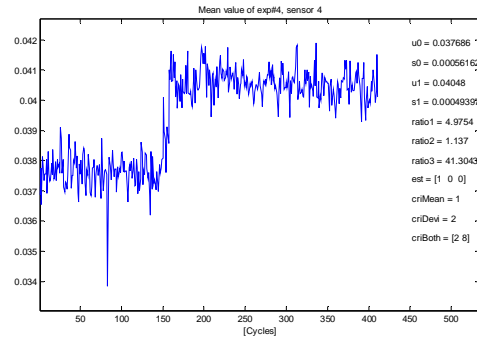

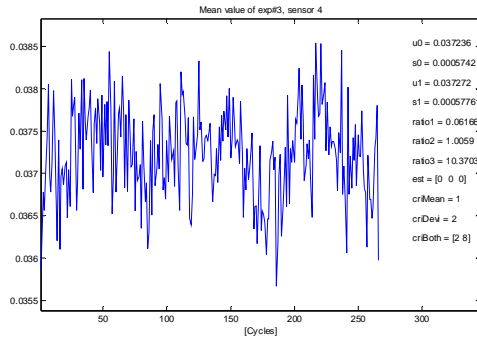

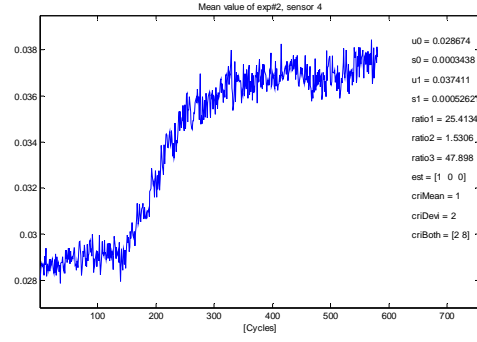

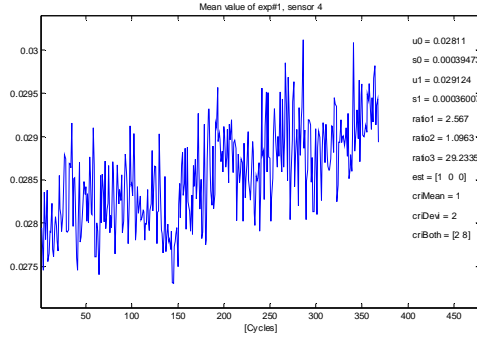

Appendix D - Off-line hypothesis test on feature signals

D.9 sensor no. 3 – change in the MSE feature signal

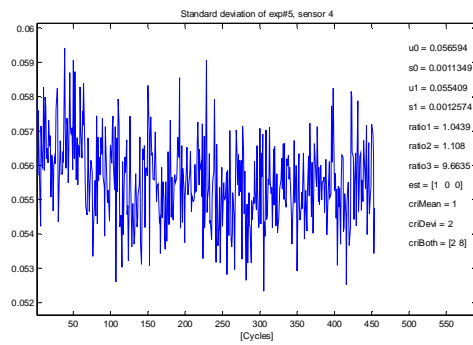

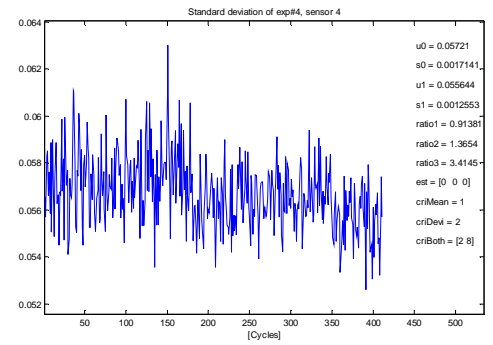

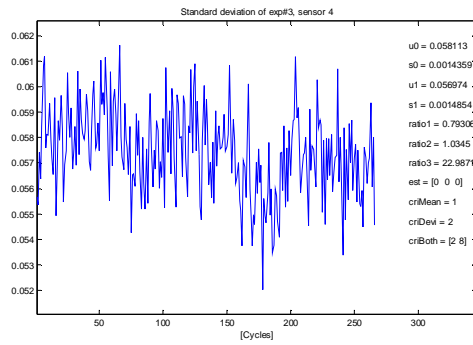

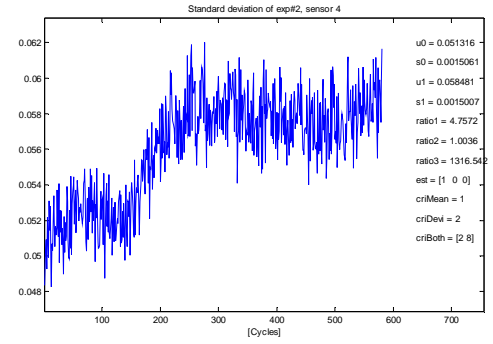

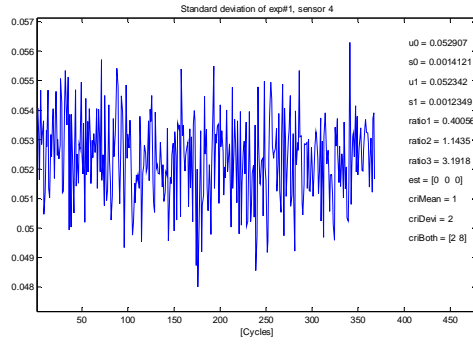

Appendix D - Off-line hypothesis test on feature signals

D.10 sensor no. 4 – change in the mean value feature signal

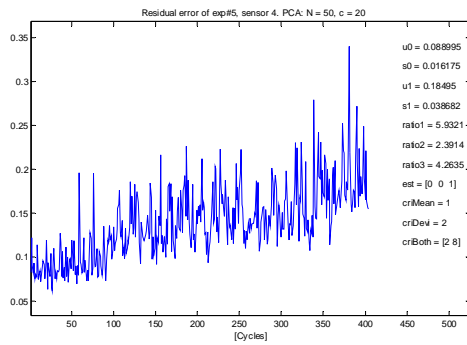

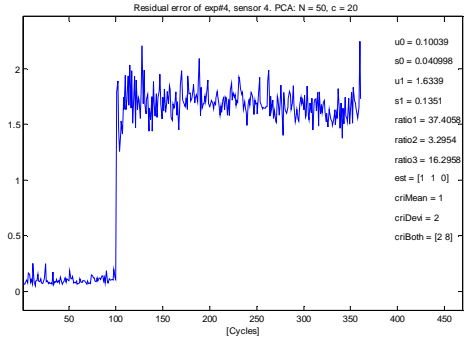

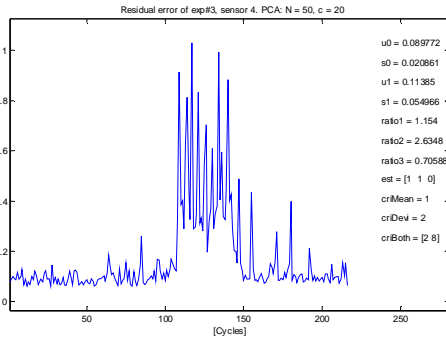

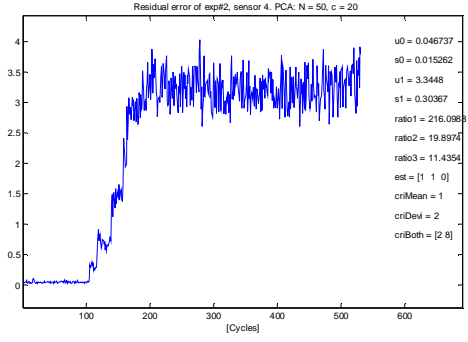

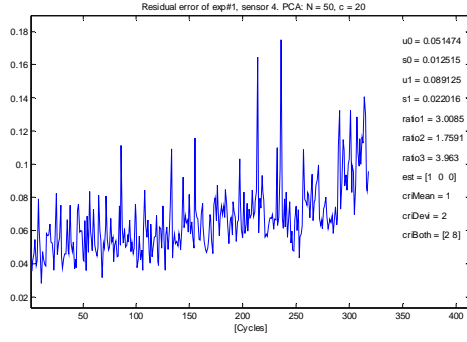

Appendix D - Off-line hypothesis test on feature signals

D.11 sensor no. 4 – change in the standard deviation feature signal

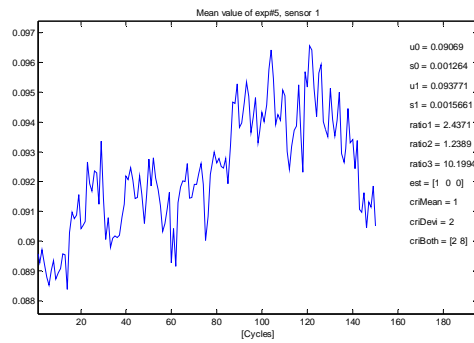

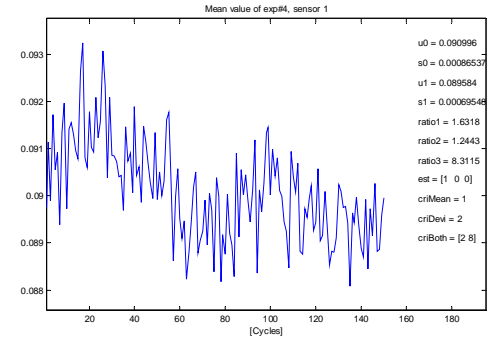

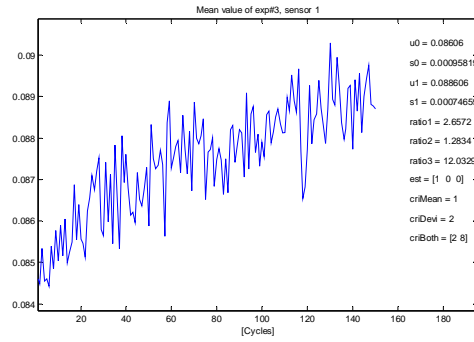

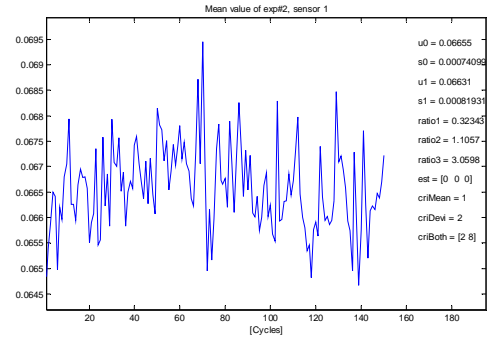

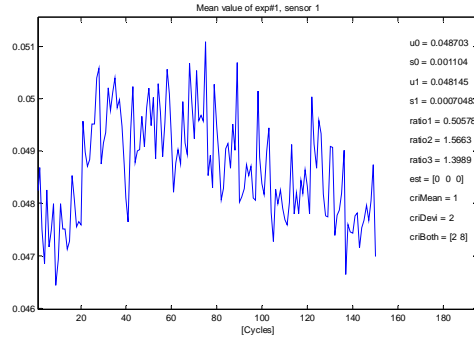

Appendix D - Off-line hypothesis test on feature signals

D.12 sensor no. 4 – change in the MSE feature signal

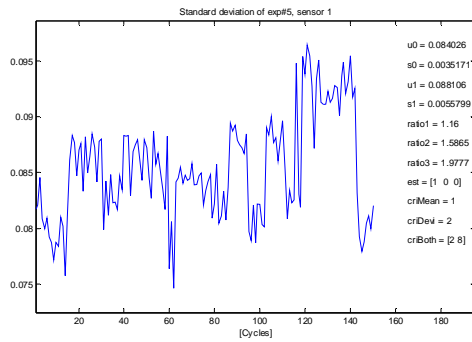

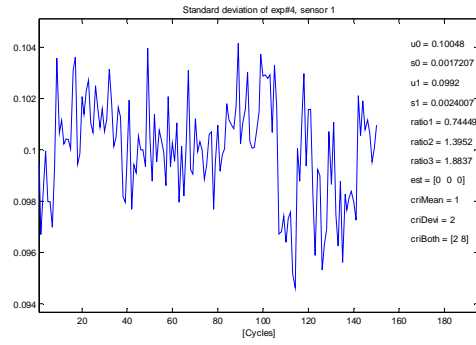

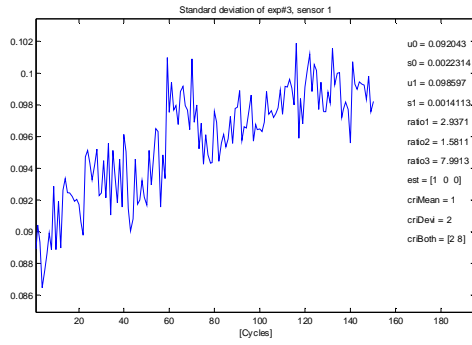

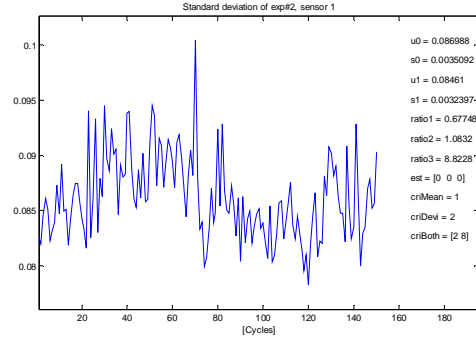

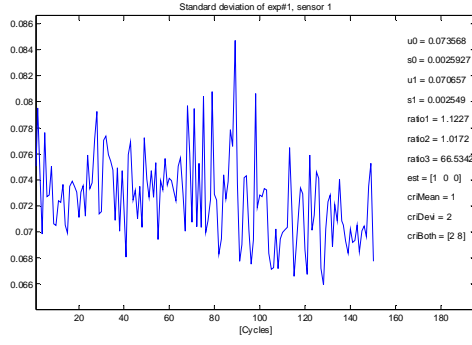

Appendix D - Off-line hypothesis test on feature signals

D.13 sensor no. 1 – no change in the mean value feature signal

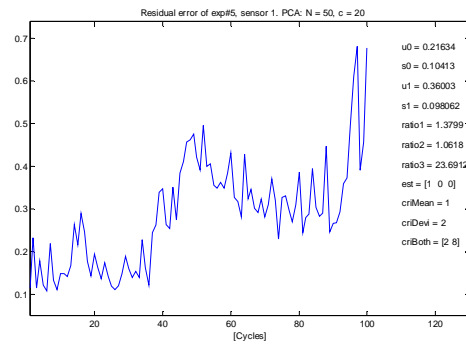

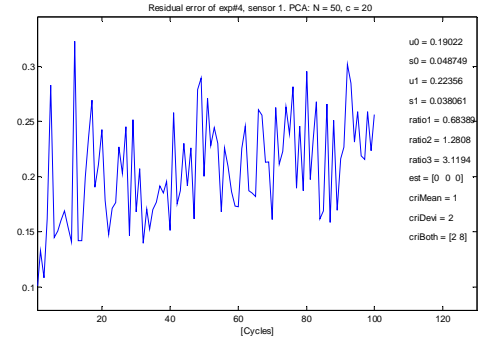

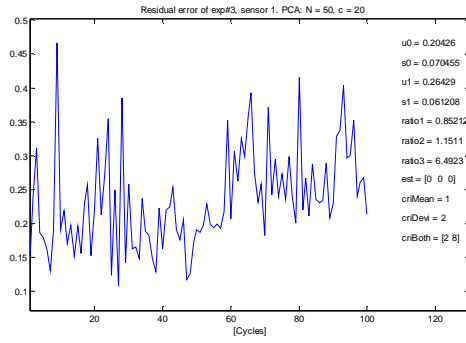

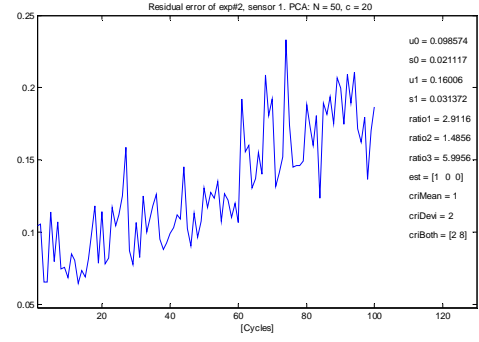

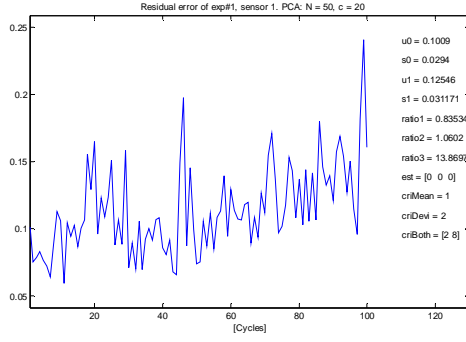

Appendix D - Off-line hypothesis test on feature signals

D.14 sensor no. 1 – no change in the standard deviation feature signal

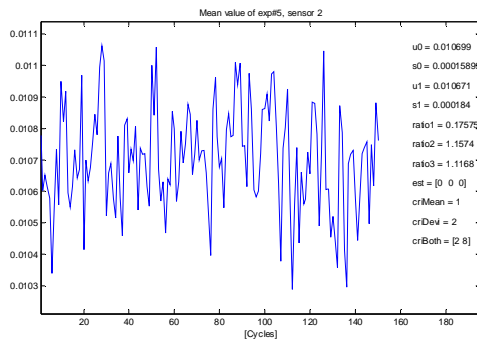

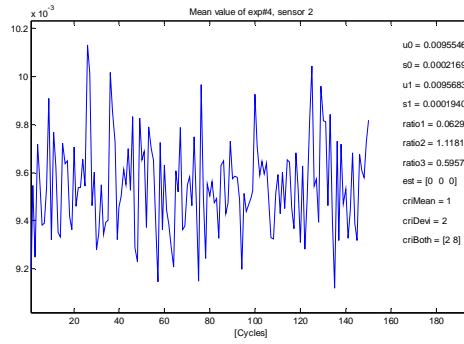

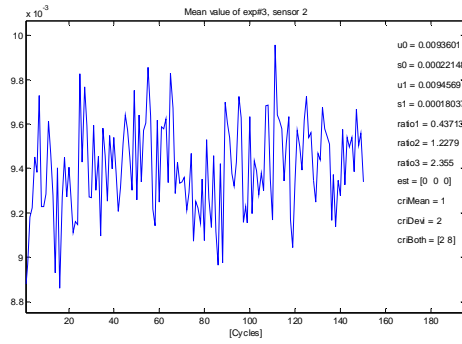

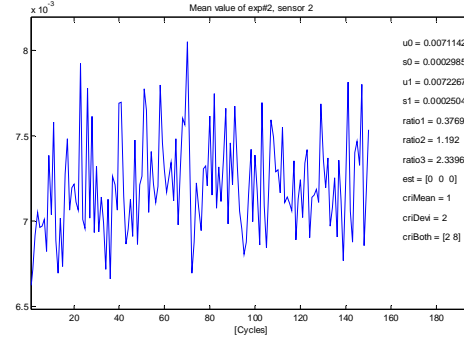

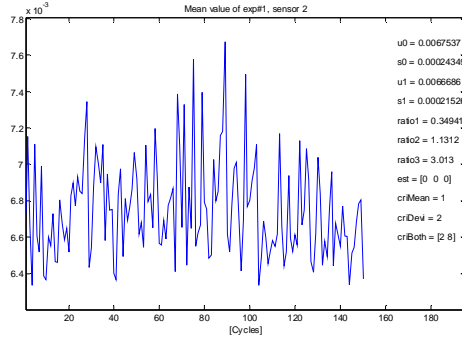

Appendix D - Off-line hypothesis test on feature signals

D.15 sensor no. 1 – no change in the MSE feature signal

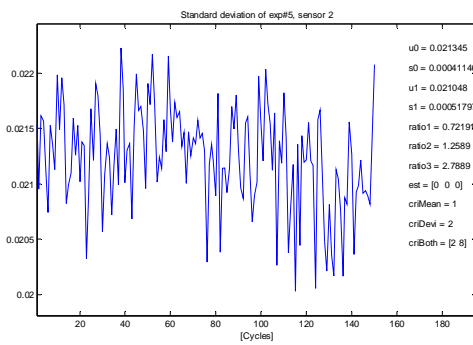

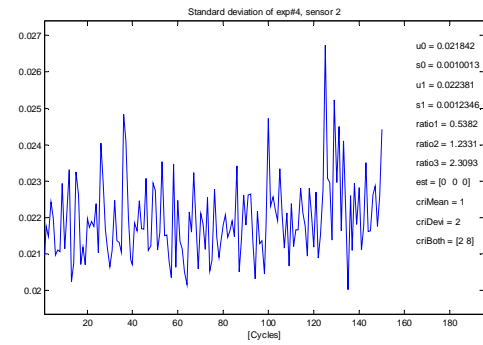

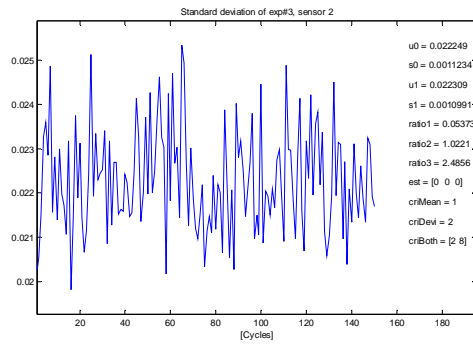

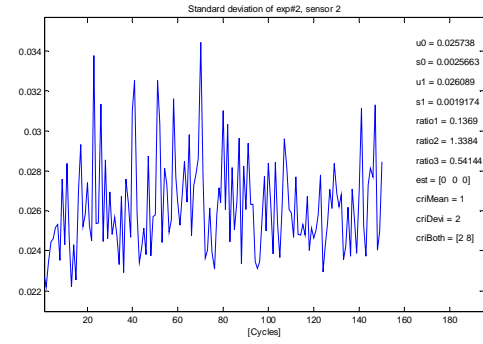

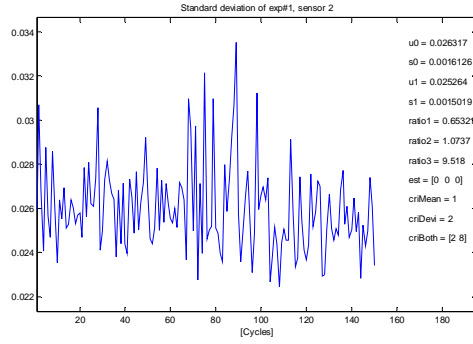

Appendix D - Off-line hypothesis test on feature signals

D.16 sensor no. 2 – no change in the mean value feature signal

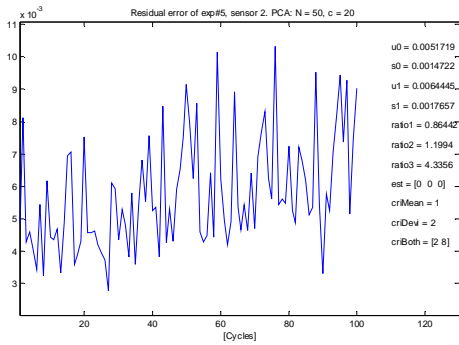

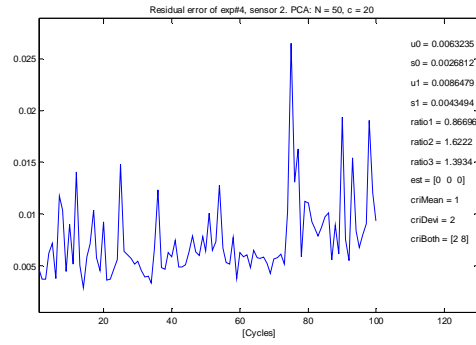

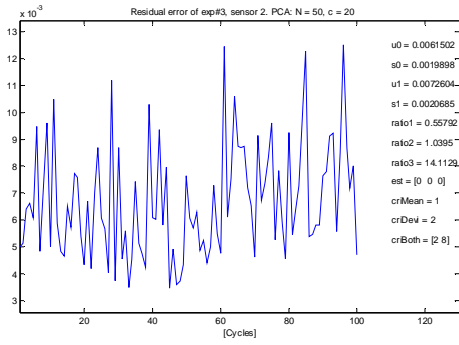

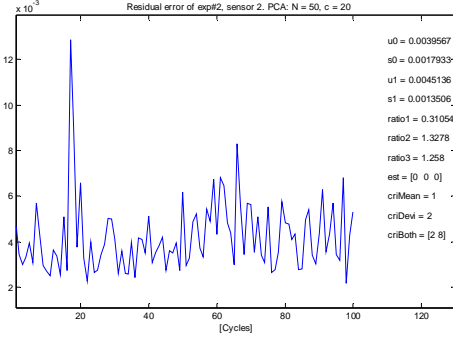

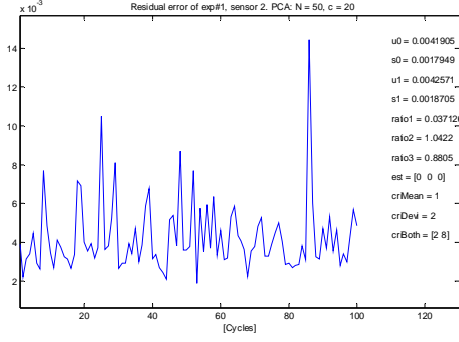

Appendix D - Off-line hypothesis test on feature signals

D.17 sensor no. 2 – no change in the standard deviation feature signal

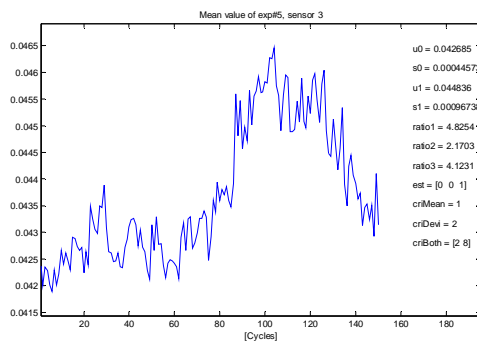

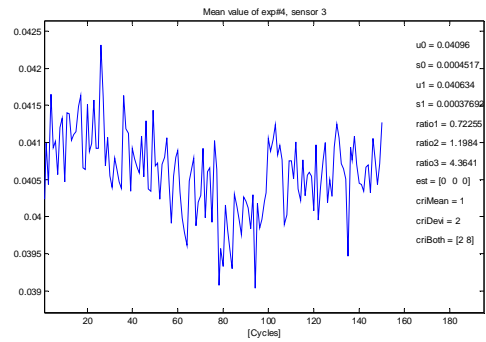

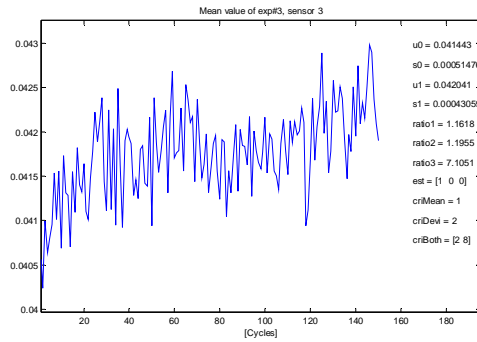

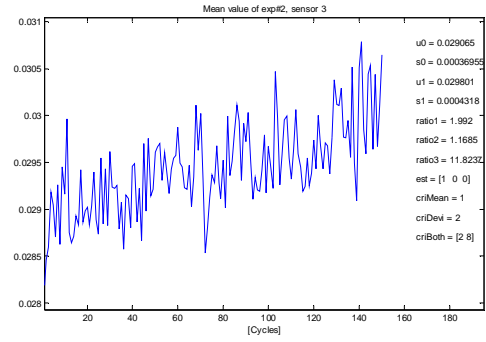

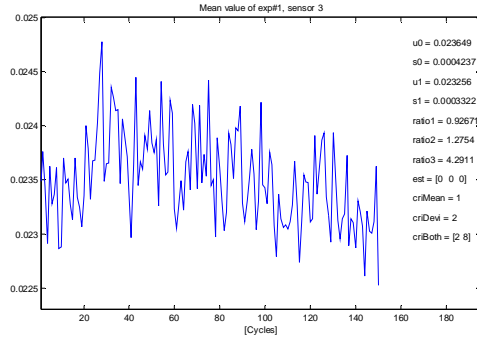

Appendix D - Off-line hypothesis test on feature signals

D.18 sensor no. 2 – no change in the MSE feature signal

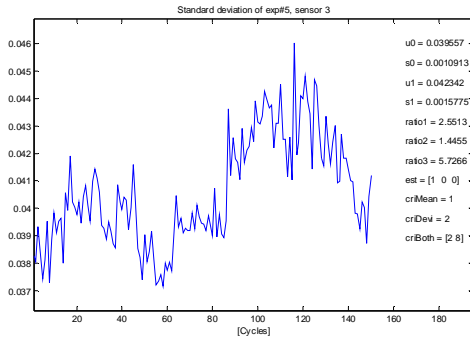

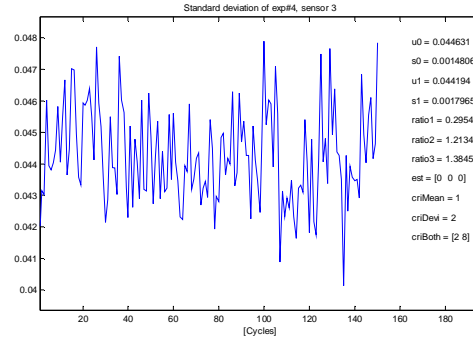

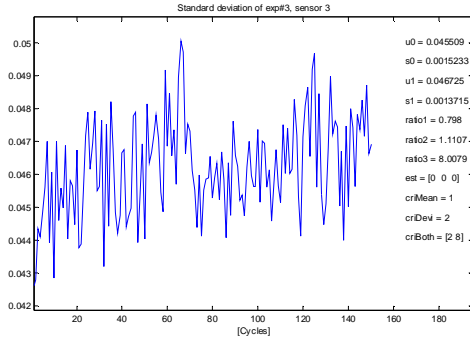

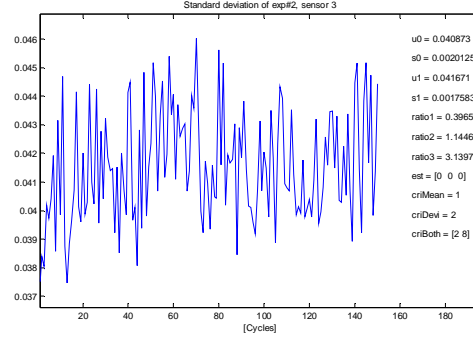

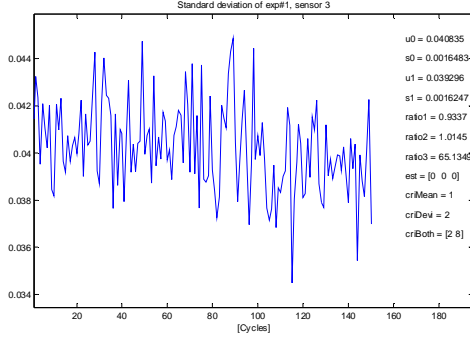

Appendix D - Off-line hypothesis test on feature signals

D.19 sensor no. 3 – no change in the mean value feature signal

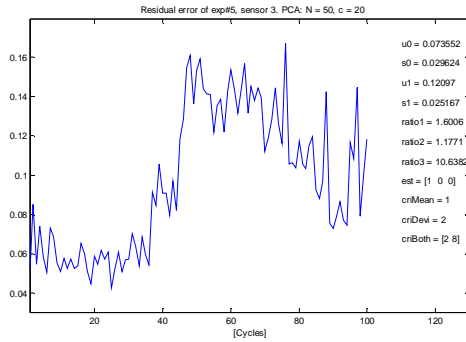

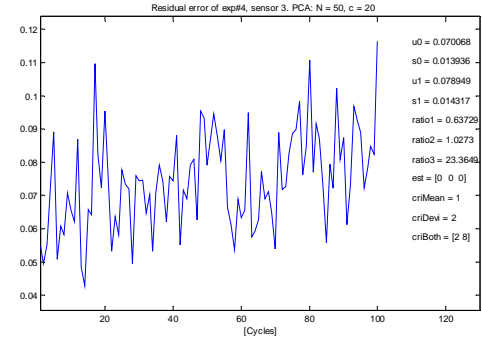

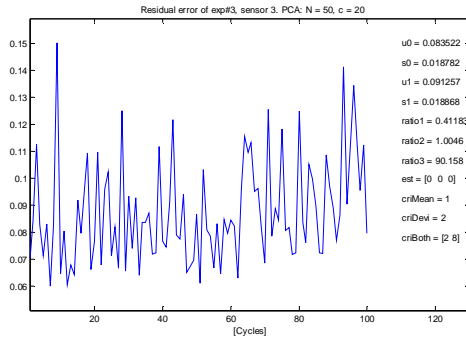

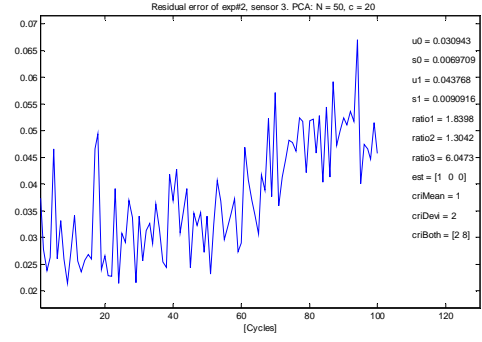

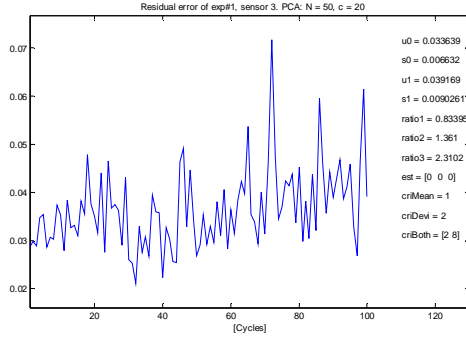

Appendix D - Off-line hypothesis test on feature signals

D.20 sensor no. 3 – no change in the standard deviation feature signal

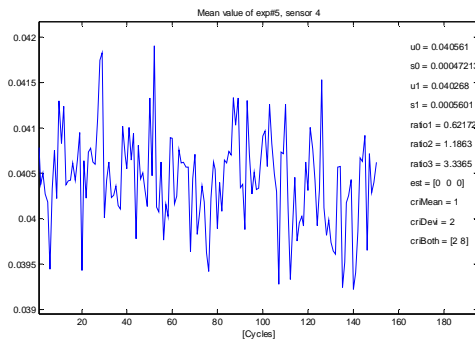

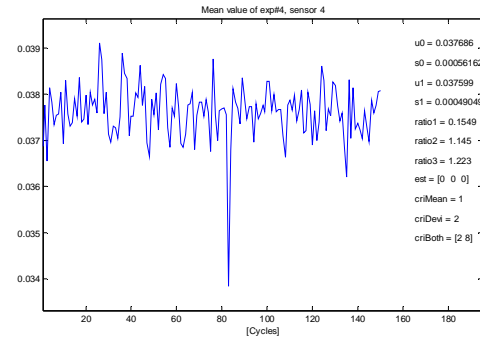

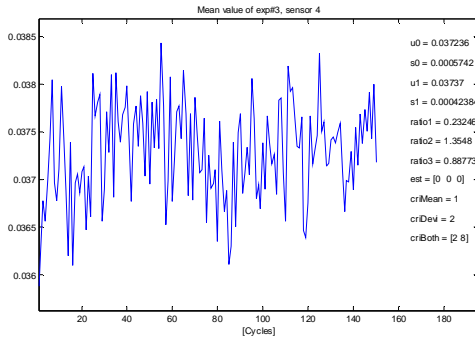

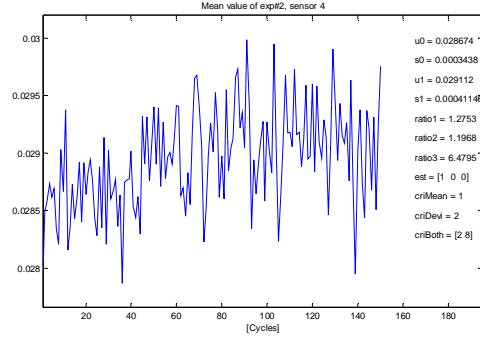

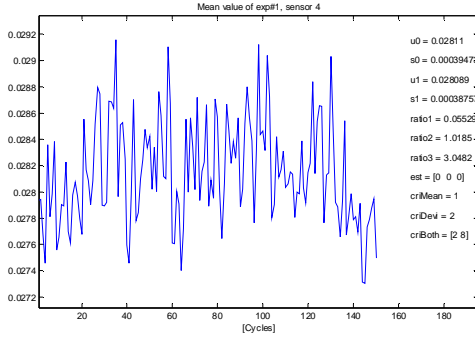

Appendix D - Off-line hypothesis test on feature signals

D.21 sensor no. 3 – no change in the MSE feature signal

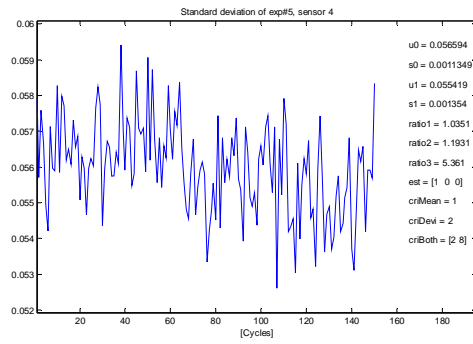

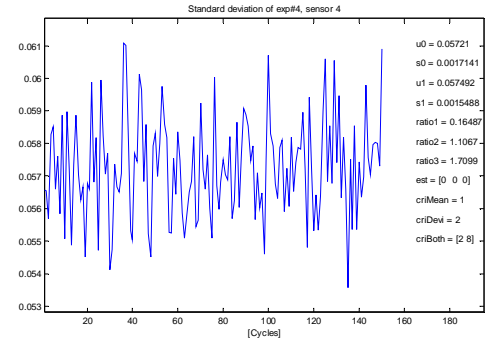

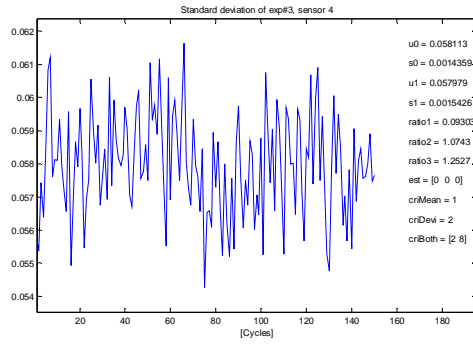

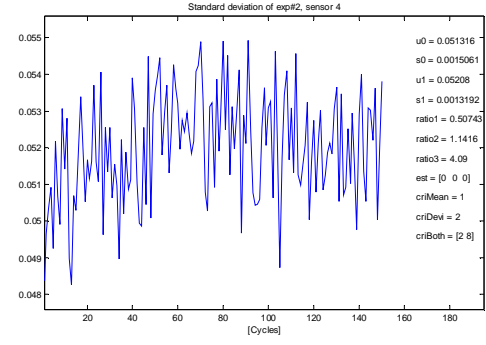

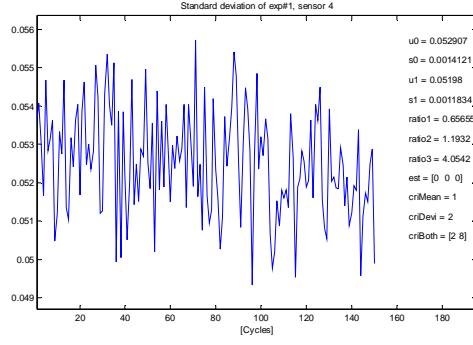

Appendix D - Off-line hypothesis test on feature signals

D.22 sensor no. 4 – no change in the mean value feature signal

Appendix D - Off-line hypothesis test on feature signals

D.23 sensor no. 4 – no change in the standard deviation feature signal

Appendix D - Off-line hypothesis test on feature signals

D.24 sensor no. 4 – no change in the MSE feature signal
